IML VENDOR MARKET WAIT- LIST APPLICATION

Whether you sell leather-related merchandise retail or wholesale, having a booth at **IML's** Leather Market is a must! We are the leather community's original leather market, and the most extensive, with over 15,000 people visiting the hotel over the weekend. IML is always held over Memorial Day Weekend. Our community has come to rely on **IML's** Leather Market as the primary source for meeting their Leather/SM/fetish needs.

The Leather Market will be open from Friday through Monday, with setup on Wednesday and Thursday; we'll let you know the exact set up hours no later than May 20th. To help meet your exhibition needs, **IML** uses a professional exhibition service. When you are notified of the possibility that you will be vending, you will receive a full application with Square payment form. Return the form, along with a minimum \$150.00 deposit **or 20% of the total** whichever **amount is greater**. A 50% deposit of the balance is due by **November 15th**, and **full payment must be received by February 15th. No Exceptions!** A cancellation fee of \$150.00 will be deducted from any refunds and there will be no refunds after **March 1st**. Booth space that is paid for but left unoccupied or vacant on or after 12:00 Noon, the Friday opening day of the Vendor Market will be used by I.M.L. at their discretion. Only one business name per application for space will be permitted! **Booth spaces may not be sublet or shared by any other party than is registered by this original IML vendor application submitted to IML for the booth(s) space(s).**

Most Leather Market Exhibition Booths are 8' x 8' and most include:

One 6' skirted table, two chairs, an 8' back wall drape, a 3' side wall drape.

Exhibition Booth fees (note: limit one business per Exhibition Booth):

\$750.00 for the first booth space,

\$725.00 for each additional booth space
